2020-21 Self-Assessment Checklist for Program Participation

Purpose: This checklist is a resource for potential applicants and responses are for the potential applicant only. If you are an eligible provider type and answer yes to the questions below, we encourage you to apply for Preschool Promise. ***This checklist will not be used by the Early Learning Division for any official application purposes.***

Eligible Provider Types

Are you one of the following provider types? If you answer “yes” to one or more of the provider types listed below, you are eligible to apply for the Preschool Promise Program.	Yes	No
Child care provider		
Community-based organization		
Culturally specific organization		
Early Learning Hub as designated in ORS 417.827		
Education Service District		
Federal Head Start program		
Federally Recognized Oregon Indian Tribe		
Oregon Prekindergarten (OPK)		
Private preschool		
Public school		
Public charter school		
Relief Nursery		

The questions below represent some of the Preschool Promise Program requirements. This list does not represent all program requirements. Preschool Promise providers are offered resources, supports, and when appropriate, time to achieve program requirements.

Facilities

Will you be able to:	Yes	No
Provide at least 35 square feet of indoor, accessible space for each preschooler?		
Provide at least 75 square feet of outdoor, accessible space for each preschooler?		
Provide developmentally appropriate learning environments for preschool aged children?		

**PRESCHOOL
PROMISE**
