

Sewing Material List

1. Sewing machine (must be electric, in good repair, and be capable of a straight stitch, zigzag stitch, adjustable stitch length and width, and adjustable needle position.) Owner's manual or user's guide for machine is required. If you cannot find yours, contact the manufacturer or visit their website. Most all companies have these manuals available for free download or will happily mail you a hard copy.
2. Extra bobbins which fit your machine. (Machine should come with at least 2.)
3. General purpose presser foot which fits your machine. (Should come with the machine.)
4. Scissors
5. Quilting or sewing pins and pin cushion.
6. Dressmaker's measuring tape.
7. Washable marking pen or fabric pencil, or chalk.
8. Machine needles to fit your machine. Most come in multi-size packages. Be sure you have at least 3 size 14 needles.
9. 1 spool of All -Purpose thread, any color.
10. Seam Ripper
11. Thimble
12. Seam Gauge

After the first session meets, you will need the following items, but please don't purchase them until then. We will discuss examples and fabrics during the first session so you will have a better understanding of what you need:

1. 2 yards canvas, trigger, or denim, any color.
 2. 2 different colors of all purpose thread. One to match your fabric, and one in a highly contrasting color so it is easy to see.
 3. Dressmakers tracing paper
 4. Tracing Wheel
