

Test Coverage Report

Title Page

- **Report Title:** Test Coverage Report
- **Project/Module Name:** [Name of Project/Module]
- **Report ID:** [Unique ID]
- **Prepared By:** [Name, Designation]
- **Date of Report:** [Date]
- **Reviewed By:** [Name, Designation]
- **Approved By:** [Name, Designation]

Introduction

- **Objective:** To measure and evaluate the test coverage for the project/module.
- **Scope:** Includes the functionalities, requirements, and components covered in testing.
- **Test Period:** [Start Date] to [End Date]

Test Coverage Details

Coverage Area	Total Requirements	Tested Requirements	Test Coverage (%)
Functional Testing	[Total]	[Tested]	[Coverage %]
Integration Testing	[Total]	[Tested]	[Coverage %]
System Testing	[Total]	[Tested]	[Coverage %]

Tested Requirements

- **Functional Requirements:** [List of requirements tested]
- **Non-functional Requirements:** [List of non-functional areas tested]

Test Coverage Metrics

- **Total Requirements:** [Total Count]
- **Tested Requirements:** [Tested Count]
- **Test Coverage:** [Percentage of test coverage]

Gaps in Coverage

- **Uncovered Requirements:** [List of uncovered requirements]
- **Reasons for Uncoverage:** [Reasons like resource constraints, priority, or deferrals]

Summary and Recommendations

- **Overall Test Coverage:** [Overall % of Test Coverage]
- **Observations and Insights:** [Observations and recommendations]
- **Next Steps:** [Steps to improve coverage]

Approval and Sign-off

- **Prepared By:** [Name, Designation]
- **Reviewed By:** [Name, Designation]
- **Date of Approval:** [Date]
