

Value tier medication list

Value medications include select commonly prescribed products used to treat chronic medical conditions and preserve health. The table below shows medications included in the value tier. When a medication from this list has a generic equivalent, the generic form of the medication qualifies for the value benefit, while the brand form is covered at the **brand** tier benefit level.

Questions? Call our Pharmacy Customer Service team toll-free at 888-361-1610.

Health condition	Type of medication	Brand name	Generic name
Asthma	Corticosteroids	Arnuity® Ellipta®	Fluticasone furoate
		Flovent® (HFA & Diskus)	Fluticasone
