MARKET

Unique Selling Points (USP)

Please tell us at least 3–5 USPs. A USP is a compelling reason for a customer to buy your book instead of a similar book. Ideally, each point will show how a key feature (e.g., 100 illustrative images) guides a customer to buy this book (e.g., step-by-step tutorials).

Sample USPs for a Professional Computer Science Book:

- Numerous step-by-step tutorials help the reader to learn quickly
- A special chapter on next generation Flash prepares readers for the future
