Thank you for your donations. \$0.89 of every dollar donated to St. Vincent de Paul goes to help neighbors in need.

History & Overview

We began serving the poor in Paris, France in 1833. We came to the US in 1845 and to Seattle in 1920. We are now operating in more than 150 countries worldwide.

Serving All of King County

Our 53 neighborhood chapters make over 17,000 in home visits per year, serving over 40,000 families and individuals.

Home Visits

Our neighborhood home visit volunteer teams prevent homelessness and utility shut-offs, ease hunger, and link people to our longer-term case management services.

Helpline

Annually our Helpline receives close to 40,000 calls from people needing help. We also receive another 10,000 online requests for help. The Community 2-1-1 Line refers over 16,000 calls to us annually, more than any of the other 1,700 social service agencies in King County. We strive to help everyone.

People Served

Last year we served over 46,000 people in all programs, including our Georgetown Food Bank, where we distribute approximately 1 million pounds of food annually.

Mission

Compelled to action by the convictions of our founders, St. Vincent de Paul of Seattle | King County joins the community to listen, engage, and build relationships that assist and advocate for individuals and families to meet basic needs and achieve stability and self-sufficiency.
