**Please note the change in the order of the periods on our Blue and White Days. Period 6** is now the last period on Wednesday (Blue Day), and **period 7** is now the last period on Thursday (White Day). **Period 5** now begins our White Day. Placing the periods in this order will significantly reduce the number of students who have consecutive open periods on Blue and White Days.

Students are still required to be on campus beginning with their first scheduled class and ending with their last scheduled class. Additional attendance requirements extending from 8:00am – 3:04pm may be put in place for an individual student upon parental request.

As always, students are encouraged to fully utilize our Academic Resource Areas during an open period.
