

Proposal for Publication in *Energy Procedia*

Energy Procedia welcomes conference proceedings proposals for consideration in accordance with its coverage available at: <http://www.journals.elsevier.com/energy-procedia/>

New conference proceedings are considered for publication in *Energy Procedia* on the basis of scope, topical relevance, international standing, as well as publishing selection criteria including assurances that papers are original, presented at the conference, subject to peer-review, and have not /are not published elsewhere in the same form. *Energy Procedia* organizers/editors agree to uphold the publishing ethics standards as publicized in the [Elsevier Publishing Ethics guidelines](#).

In order to evaluate your proposal we would like to ask you to complete the form below and return same. Once a decision has been made we will inform you as soon as possible.
