

CABI Book Proposal

Proposed title:	
Author(s)/Editor(s):	
Overview	
Please provide one or two paragraphs describing the contents of your proposed book, detailing the subject, its academic level, and how it will be approached:	
Market	
Who do you anticipate the principal purchasers will be?	
Are there any secondary markets?	
Will the market be worldwide? If not, in which countries or regions will the main market be, and why?	
Please give details (author, title, publisher, date and price if known) of any competing books that are currently available:	
How will your book differ from, or improve upon, these titles?	

Author/Editor CV

Contact details (please include your address, email and telephone number):

Present appointment:

Career to date (brief summary):

Key Publications (up to 10; please include any authored or edited books):

Additional Information

Please provide a full table of contents with a few lines per chapter summarising its content.

(Please add details to the [table](#) at the end of this form. Please use extra pages as needed)

Please include a list of names and contact details of confirmed lead chapter authors (for edited volumes or authored volumes with contributions).

How long in words is your book likely to be? (As a guide, a typical chapter consists of 7000 words.)

Approximately how many illustrations (line drawings or photographs) would you wish to include per chapter?

Line drawings:

Photos:

How much time do you estimate you will require from contract to complete and submit the manuscript?

Please provide the name, affiliation and email address of 2-4 referees who we could ask to provide some feedback on your proposal (we may not necessarily approach them):

Please add any further information which you think may be helpful to us in evaluating this proposal:

Thank you
