Brief description of the proposed research work

On separate sheets attached to this form, please provide a description of the project you intend to undertake. Your description should include the following:

- An introduction to your chosen topic of study, including a brief review of relevant literature;
- An outline of the aims and objectives of your study;
- A justification/rationale for your study;
- An outline of research methods to be employed;
- An overview of the way in which you intend to structure your work (outline of chapters);
- A Gantt chart, indicating key milestones and expected dates of completion;
- A reference list, including all works cited in the proposal document.
