OCVRP Ineligible Vehicles:

Vehicles must meet certain program requirements to be eligible to receive a rebate under the OCVRP, per the statute and regulations (Oregon Administrative Rule 340-270). Those requirements include that the vehicle must:

- Be a battery electric vehicle, plug-in hybrid electric vehicle, electric motorcycle, or a neighborhood electric vehicle ("eligible vehicle"), as those terms are defined in statute and rule.
- Have a base MSRP of \$50,000 or less.

² Older model year motorcycles (prior to 2019) may qualify for the Standard Rebate if the motorcycle was purchased as new or has been previously used only as a dealership floor model or test-drive motorcycle and has not previously been registered in Oregon. Please contact Cleancars@deq.state.or.us if you think your older model year motorcycle may qualify for the Standard Rebate.
