

# Visual Schedule Board

1. Use scissors to cut out the places you'd like to see during your visit to the zoo.
2. Tape them on the blank visual schedule board in the order you choose.
3. Bring an envelope with the words "All Done" written on it.
4. Remove the locations from your visual schedule board as you visit each area and place them in the "All Done" envelope.

You can use the map of the zoo found at [www.pdza.org](http://www.pdza.org) to help plan your day. You can also find more information on Keeper Talks and animal presentations on our website. Sometimes the animals are playing where you can't see them, so you may not see every animal during your visit.
