It is recommended that an approval be obtained when photographing or videotaping a minor (under 18). Parent or guardian signatures are required; signatures of minors are not sufficient. When images are published, Landcare Australia will take cautionary steps to provide minimum identifying information and will not use specific street or mailing addresses, e-mail addresses, or phone numbers.

Photographs or video images during a photo or video shoot organised by Landcare Australia must be done only with Landcare Australia's permission and with signed release forms from a parent or guardian of each child. It is the responsibility of Landcare Australia to obtain signed release forms and maintain records
