

Kettering Middle School Band 6th Grade Contract/Enrollment Form

Dear Students/Parents;

Welcome to the 2013-2014 school year and the Kettering Middle School Band Program. We are glad to have your student in the bands at Kettering Middle School and hope that he/she attains every desired level of success. One of the unique qualities of a musical ensemble is that its success depends on each member participating to their maximum ability. To make certain each student understands their role as a band member, we are asking that you read and discuss with your son/daughter the following guidelines and complete and return the bottom portion of this contract. We ask that you pay particular attention to the concert dates listed below. Please be sure to fill out all of the information on the contract so that we will have your current contact information in our database for future mailings. We are looking forward to a great year! Please feel free to contact us by email or at 499-1550. ***Please return by Friday, October 11th.***

Thank You!
