

# Mythology Trading Card

Due Date: \_\_\_\_\_

You will be creating trading cards for 15 Greek gods and/or goddesses. These will be similar to baseball cards. You will use note cards for this project. Each card will have the following information:

- 15 cards
  - 15 characters from these stories (or characters from other myths)
- A picture of that god/goddesses on the front, no stick figures
  - **Hand drawn** and colored
  - No clipart/computer graphics, tracing or copying pictures
- Name of the character above the picture
- On the back (on the lined side of the card)
  - Greek and Roman name
  - Area of power
  - Relationship with at least two other god/goddess in mythology
  - Description of what they look like

-----  
**Name** \_\_\_\_\_

**Grading Rubric**

Each card is worth 6 points.

1 point = Picture of the god/goddess on the front

1 point = Name of the god/goddess on the front

1 point = Greek and Roman name on the back

1 point = Area of power

1 point = Relationship with at least two other god/goddess in mythology

1 point = Description of what they look like

10 points = Neatness in writing (spelling and grammar) and in drawing and effort
