

Graduation Project Timeline

- * **Jan – March (Junior Year)** - You will **choose your topic** and type of project and **let your advisor know** that you have an idea.
- * **Before End of Junior Year**- You will **submit a proposal form** with a parent or guardian signature for approval. The proposal must outline your project and include a timeline for completion.
- * **September (Senior Year)** – You will **meet formally** with your advisor to discuss your project progress and the timeline for meeting your goals.
- * **October (Senior Year)** - You will **meet formally** with your advisor to review your project proposal and begin to complete the proposal form.
- * **November (Senior Year)** - You will **meet formally** with your advisor to review your project proposal and begin to complete the proposal form
- * **December/January (Senior Year)** - You will **present** your project before a panel that may consist of: your advisor, other committee members, other teachers, principals, administrators, board members, and parents.

Keep up!! Failure to meet these important target dates may result in scoring penalties, parent notification, withholding of report card, and denial of entry to school-related activities.

Failure to complete a project will prevent you from graduating!
