

Puppy Kindergarten Lesson Schedule and Make-up Dates

There are 6 lessons in the Puppy Kindergarten training Package (plus Orientation). After Orientation you should try to complete all 6 lessons within 12 weeks. Classes are open enrollment so you can start at any time. Each lesson is its own independent module and lessons do not need to be taken in any order. This lesson schedule will repeat every six weeks.

We encourage you to take the 6 lessons in a row so that you get in the habit of training and practicing with your dog, however, we realize that life happens and you might miss a lesson. To help you plan for missed lessons, we have listed below when the lessons are currently scheduled so that you can plan to attend your makeup lesson. **Please register for each lesson online with your Package credits.**
