

What to do by when? Personal project timeline

For the external moderation of the personal project in May, all students in MYP year 5 must be registered by 20 October (20 April for the November session).

Personal projects must be developed and presented in one of the MYP moderating languages. If students wish to complete their project in a language other than the MYP moderating languages, the school must request the special language provision from the IB, before the published deadlines, as follows.
