Coaching/Instructing services will be provided at the discretion of the club members for a period of one year. All coaches must re-apply for their positions each July, regardless of how long they have been affiliated with the club. The agreement to coach does not imply employment by Wichita State University. Coaches/Instructors will provide safe, organized instruction and training for various skill levels. Sport Clubs are student-led organizations, and coaches/instructors must not interfere with this primary aspect of the Sport Club Program. Coaches/Instructors must always conduct themselves in a manner that does not detract from the reputation of Wichita State University. This includes behavior in game situations, contact with other teams, interaction with event staff, as well as interaction with Wichita State University faculty and staff. Coaches will uphold Wichita State University's no hazing policy by not allowing a culture of hazing within the club.
