# FRANCHISE PROPOSAL FOR STUDY CENTRE

## ADMISSION & INFORMATION CENTERS IN INDIA

### :: About SMV College ::

SMV College is a Higher Education Solutions company which is catering to the ever growing niche segment of working professional in the country. As an Education Institutional Franchise Specialist, we understand you and your investment desires and hence offer you customized & category specific franchising solutions suiting your investment appetite. It gives us an immense pleasure to introduce an exciting College Franchise with robust business model that will help you grow higher.

**Our mission:** is to create path and offer system of spreading education and wisdom to the seekers of information.

### :: What does SMV College Offer? ::

- SMV College offers a bouquet of courses in different domains ranging from all type of courses.
- SMV College ensures that the target segment is made aware of the suitability of such programs and ensures conversion.
- SMV College ensures the entire lifecycle of the program from sourcing as per the guideline to execution of such a program.

**“SMV College aims to become one of the largest education providers in the Indian Subcontinent”**

### :: Education Space ::

#### An Ever Expanding Market

- About 540 million people are under the age of 26.
- Current private-education market is worth \$50 billion a year which shall triple to \$150-160 billion in ten years' time.
- Those seeking higher education in India is likely to grow from the present 12 million by around 50 million in another few years.
- Indian education industry requires an increase in the 18-54 age groups to be educated to university level from 8% to 16%.

### :: Demand & Supply mismatch ::

- The supply of qualified and employable peoples is woefully short. Only 25% of all peoples from Tier 2 and Tier 3 institutes are employable
- “Hardly 2% of our students get quality education.”
- 59 % of organizations in India saying that they experience difficulties in recruiting graduate with the right skills.
- Robust growth of the economy has spelled numerous vacancies, severe shortage of the talented workforce and high demand of management professionals in the country in the present.
- “Though 2.5 million graduates pass out every year, India is starved of talent”

### :: Business Partner Program ::

SMV College taking a place in India with a unique joint venture opportunity to help your business grows and superfluities. We believe that growth can be successfully achieved through Network of partnerships and associations.

If you are paying attention in charting out a successful and profitable opportunity for yourself, as well as contribute to making a positive difference to the lives of thousands of individuals, then SMV College offers you a great opportunity.

If this sounds like you, moreover if you want delicate independence, superior earning potential, and the chance to provide a valuable and respected service to the nation by shaping the career and future of many young and aspiring individuals, then owning and operating a SMV College may be right for you.

SMV College finds a huge gap to be filled in the higher education space. SMV College plans to come up with a chain of branded institutes in different parts of the country and will cater specifically to this higher education segment.
