S997 is an internship which can be taken for 2 credits (70 hours, approximately 10 hours per week over 7 weeks) or 4 credits (140 hours, approximately 10 hours per week over 14 weeks). It is important to set clear learning goals and expectations for the scope of work and time commitment.

The faculty advisor will review the site supervisor assessment and the student reflection and submit a grade of Satisfactory or No Credit. *Please submit this form to Mary Kiesling, Associate Director for Master's Studies in Longfellow G042, mary_kiesling@gse.harvard.edu.*
