

**2020 Presidential Voting Day Poll Worker Release Time
Optional Written Agreement Form**

(To be maintained by supervisor or staff member)

Volunteering at Polls

Any full-time employee that works at a polling station will be granted a full paid day off based on scheduled hours. Employees must work with their supervisors to insure sufficient notice of absence and to maintain departmental operations. An employee who earns income from working at a polling station will receive the difference between this income and regular pay.
