

Proposal for Publication in *Procedia Manufacturing*

Procedia Manufacturing welcomes proposals for publishing conference proceedings related to its aims and scope available at <http://www.journals.elsevier.com/procedia-manufacturing>. In order to properly evaluate your proposal we would like to ask you for some further information. Please email this proposal to jackhu@umich.edu and g.lupo@elsevier.com.

Your proposal will be evaluated based on suitability of scope and quality, including the assurance that all papers are original, will be subject to peer review before acceptance and have not been/will not be published elsewhere. Once a decision is made, we will inform you as soon as possible.

Conference details
