

ORLAND HIGH SCHOOL
ACADEMIC PROBATION CONTRACT

I understand that I am academically ineligible to participate in extracurricular activities. This contract is a request for academic probation for a 5 week period during the 2012-2013 academic year.

Contractual obligations are:

1. I will be ineligible to participate in any athletic contest during the dates listed above.
2. Students who are ineligible may request "Academic Probation". Academic Probation may be granted twice during a student's entire high school career. Academic Probation will last until the next grade reporting period (approximately 5 weeks). Academic Probation is not recommended for freshman or JV athletes as often participation becomes more valuable at the varsity level where playoffs and championships exist. Academic Probation requires a formal contract to include signatures from the student, parent, Club Advisor or Athletic Director and Administration for approval.
3. Students must be on a graduation track to be eligible. A graduation track is defined as being on track to graduate in four years. Students must earn a minimum of 20 units of credit each semester. Students deficient in credit must have a formalized graduation plan approved by the administration to remain eligible. The plan will be created by a school counselor and include a schedule for credit recovery, summer school, Adult Education, etc. Administration shall terms have the final discretion as to the feasibility of the graduation plan or track. Students who do not meet the terms of their graduation plan will be deemed ineligible and may be removed from extracurricular activities. Removal from a team/squad/club will be immediate, even if it falls between grading periods.
4. Students must maintain a grade point average of 2.0 or better each grade reporting period (every 5 weeks to include progress reports and report cards) to be eligible.
5. Students shall not have two F marks on any grade report to be eligible.
6. Eligibility or ineligibility begins or ends the Monday following the week grades are posted.
7. My coach may require me to attend study hall, turn in weekly progress reports.
