

## **SEVERE WEATHER/AFTER SCHOOL ACTIVITY PLAN**

Student Name: \_\_\_\_\_

Each day before your child leaves home, make sure your child is aware of where he/she is to go after school and how your child is to arrive at that destination (bus, car pickup, etc.) To reduce confusion and save classroom instruction time, after school activities should be prearranged before students leave home. Should weather be a factor concerning your child's after school activity, please have an alternate plan so you and your child will know where to go.

Please discuss with you child what his/her severe weather plan will be. In case of early dismissal, my child is to (please check ONLY ONE box):

- ☐ Ride his/her usual bus
- ☐ Be a car rider
- ☐ Other (please explain): \_\_\_\_\_

Thank you for having this discussion with your child. Your child will be more confident if he/she knows the game plan.
