Limited Warranty and Technical Support Agreement

Congratulations on your purchase of one or more Vision360. Only those Vision360 products listed on the invoice that you received from A Royal Co.[®] or its authorised reseller/exporter are covered under this Limited Warranty and Technical Support Agreement (this "Warranty Agreement"). By using any of the products that are covered by this Warranty Agreement, you agree to be bound by the terms and conditions set forth herein.

I. Limited Hardware Warranty

Subject to all of the other terms and limitations set forth elsewhere in this Warranty Agreement, A Royal Co.[®] provides a limited warranty that covers the hardware, software and printed materials (optional) that A Royal Co.[®] or authorised reseller/exporter ships as part of A Royal Co.[®] products (the "Hardware Warranty"). For the avoidance of doubt, the Hardware Warranty does not cover third party products that are separate and distinct from A Royal Co.[®]'s products and merely resold by A Royal Co.[®]

What Is Covered: The Hardware Warranty covers only against any manufacturing or material defects in the hardware, software media (e.g., software key), and printed material (optional) shipped as part of A Royal Co.[®]'s products (each, a "Defect").

For How Long: The Hardware Warranty is effective for twelve (12) months from the date on which A Royal Co.[®] first ships the corresponding product (or any part or portion thereof). Further, for each item that is repaired or replaced by A Royal Co.[®] pursuant to the Hardware Warranty, the Hardware Warranty will remain effective for the longer of (i) the remainder of the term set forth above and (ii) three (3) months following the date on which A Royal Co.[®] first ships the repaired or replaced item.

What A Royal Co.[®] Will Do: A Royal Co.[®]'s sole obligation under the Hardware Warranty is, at A Royal Co.[®]'s option, to either repair or replace the hardware, software media, or printed material (optional) that contains the Defect, or refund (or cause the authorised reseller/exporter to refund) the purchase price of the corresponding A Royal Co.[®] product in exchange for your return of that product. A Royal Co.[®] may use refurbished items and/or substantially similar items to satisfy its obligations hereunder.

What You Must Do: If, during the applicable Hardware Warranty period, you believe you have discovered a Defect, please contact A Royal Co.[®] Customer Support using the applicable contact information listed at <https://v360.in/contact.aspx>. A Royal Co.[®] customer support may require some or all of the following information in order to assist in resolving your problem:

- Model number of hardware (Computer, Camera, etc.).
- Serial number of hardware.
- Software version.
- Software license key number or registration information.
- Detailed problem description.
- Customer name, address, and telephone number.

If A Royal Co.® customer support believes that there is a Defect in the hardware or software that is covered by the Hardware Warranty and A Royal Co.® customer support cannot resolve that Defect remotely, then A Royal Co.® Customer Support will issue you a Return of Material Authorisation number. Any item that is returned without an RMA number may be refused by A Royal Co.® and returned to you at your sole cost and expense.

All defective hardware and software media that is returned to A Royal Co.® must be shipped in its original packaging (including wooden ply) to the shipping address specified by A Royal Co.® customer support.

Units packaged incorrectly may be damaged in shipping, which will invalidate the Hardware Warranty with respect to those units and may cause you to incur a repair or replacement charge. **The assigned RMA number must be clearly posted on the outside of the box.** You are solely responsible for all packing, shipping, and insurance costs, as well as all taxes, tariffs, and duties (collectively, "Shipping Costs"), due in connection with your return of any hardware or software media, and you assume the risk of loss and damage for all such items in transit to the shipping address specified by A Royal Co.® customer support. Except as otherwise provided below, A Royal Co.® is solely responsible for all Shipping Costs due in connection with A Royal Co.®'s return of any repaired or replacement units of hardware or software media under the Hardware Warranty, and A Royal Co.® assumes the risk of loss and damage for all such items in transit to your return address. If returned hardware or software media is determined by A Royal Co.® to not contain a Defect or otherwise not be covered by the Hardware Warranty, then A Royal Co.® may, at its option, charge you for any related costs incurred by A Royal Co.®, including but not limited to Shipping Costs. Further, if A Royal Co.® must return any repaired or replacement units to a location outside of the country in which the hardware or software media was originally purchased, then A Royal Co.® may, at its option, charge you for any Shipping Costs incurred by A Royal Co.® in connection with that return.

IMPORTANT: Before shipping any hardware in accordance with the instructions above, you must (1) Take photograph of particular hardware in pre-set condition before you remove, as per instruction from customer support. (2) Plot rough diagram of existing wire/connector connection, so it will be helpful at time restoration.
