

NAFTrack Certification Internship Assessment

Directions:

Please answer the following items based upon your experience observing the student intern. ***It is important that you be objective and candid in your assessment of the intern, as your responses carry credibility to the process.*** If you have not had the opportunity to observe the student's skill level in a particular area, please respond N/A: "No Opportunity to Observe."

Any item receiving a score of 1 requires the supervisor to comment on the reason for this score.

SCORE	1 Does Not Meet Expectations	2 Approaches Expectations	3 Meets Expectations	4 Exceeds Expectations	N/A No Opportunity to Observe
-------	--	-------------------------------------	--------------------------------	----------------------------------	---

Part I. Core College and Career Readiness Skills

Collaboration & Teamwork that includes the following skills:	1	2	3	4	NA
Acts and collaborates as a team member					
Exhibits ability to work with diverse individuals					
Interacts with supervisors, clients, and teammates appropriately					
Communication that includes the following skills:	1	2	3	4	NA
Demonstrates effective verbal communication					
Constructs effective written communications					
Listens attentively and observes work environment					
Creativity & Innovation that includes the following skills:	1	2	3	4	NA
Incorporates creativity and innovation into tasks					
Critical Thinking and Problem Solving that includes the following skills:	1	2	3	4	NA
Thinks critically, formulates, and solves problems					
Demonstrates precision and accuracy					
Utilizes systems thinking					

Information Management that includes the following skills:	1	2	3	4	NA
Locates, comprehends, and evaluates information					
Applies information technology when completing tasks					
Initiative & Self Direction that includes the following skills:	1	2	3	4	NA
Demonstrates flexibility and adaptability when completing tasks					
Takes initiative, is self directed and resourceful					
Asks appropriate questions					
Demonstrates awareness of own abilities and performance					
Comprehends career opportunities/requirements in the industry or field overall					
Understands career opportunities/requirements in the specific occupational area related to the internship or student project					
Professionalism & Ethics that includes the following skills:	1	2	3	4	NA
Demonstrates integrity and ethical behavior					
Manages time effectively; punctual					
Takes responsibility for learning; seeks to learn					
Prioritizes tasks					
Demonstrates persistence in completing activities					
Brings tasks and projects to completion					
Exhibits responsible and professional behaviors as defined by the industry or field					
Understands the culture, etiquette, and practices of the workplace or the project client's organization and knows how to navigate the organization					
Quantitative Reasoning that includes the following skills:	1	2	3	4	NA
Uses effective quantitative reasoning					

For each of the ratings above in Part I, evidence (examples of performance) can be provided for any rating in the online form, but examples must be provided for any skill with a rating of 1. If using the paper form to complete the assessment, please add required examples on additional pages marked to coincide with the rated dimension.

Part II. Position-Specific Technical Skills

Please list one to three position-specific technical skills of particular significance in your industry, occupation, workplace, or project that the student was clearly expected to demonstrate during the internship. ***Please do not repeat general skills assessed in Part I.*** Examples of position-specific skills could include computer networking, accounting skills, event planning, and second language fluency, that might appear as requirements on a job description. **Part II is currently optional and does not count toward the student's certification.**

Please rate the student on these skills demonstrated according to the rating scale below:

1
