

## Delivery Note Form Cross-Checks

If the scheme participant disagrees with the digitization of the delivery note, the relevant information is alternatively transferred to this delivery note form. Instead of the delivery note, the filled-in form is then uploaded to the QS database.

Information delivery note		
Supplier (incl. address)		
Recipient (incl. address)		
Delivery note number		
Order date		
Date of the delivery note		
Information QS product	Product 1	If necessary: Product 2
Product name		
Item number		
Variety		
(Commercial) grade		
Country of origin		
Batch number		
Quantity		
Type of packaging		
Size		
QS labelling in the delivery note	<input type="checkbox"/> by adding "QS" to the product name: <hr/> <input type="checkbox"/> by general regulations/use of synonyms: <hr/> <input type="checkbox"/> other labelling: <hr/>	<input type="checkbox"/> by adding "QS" to the product name: <hr/> <input type="checkbox"/> by general regulations/use of synonyms: <hr/> <input type="checkbox"/> other labelling: <hr/>
Identification number of the producer/packing company
