**FINAL STAGE EVALUATION OF  
DISSERTATION OR PROJECT ACTIVITY**

**PROCEDURE AND GUIDELINES:**

1. For the Final Stage Evaluation of the Dissertation or Project Activity carried out in partial fulfillment of the requirements of the Degrees of Master of Technology (M. Tech.), Master of Philosophy (M. Phil.) and Dual Degree (B. Tech. + M. Tech.) of the Institute, the form titled *Final Stage Evaluation of Dissertation or Project Activity – Evaluation Panel Selection* providing the examination panel information, duly approved by the PGC must be completed and approved by the Convenor, PGC. This completed form must be included with the evaluation report.
2. The form titled *Final Stage Evaluation of Dissertation or Project Activity – Evaluation by the Supervisor(s)* is to be completed during the Final Stage Examination<sup>4</sup>. If the panel contains a supervisor and co-supervisor(s), this form may be completed either **individually** or **jointly** by the supervisors. Additional copies of this form may be made at the departmental offices.
3. The form titled *Final Stage Evaluation of Dissertation or Project Activity – Evaluation by the Examiners* is to be completed by the examiners **individually**<sup>4</sup>. **Two examiners** are to be included on the panel, with either one external examiner and one internal examiner, or two internal examiners. Two copies of the form are included, one for each examiner.
4. The Project Supervisor(s) and Examiners shall award grades based on their individual evaluation and return the completed forms to the Chairperson of the Final Stage Evaluation Panel. The Chairperson is requested to discuss the grades awarded with the panel members, and arrive by consensus on a **final grade** to be awarded to the student.<sup>3</sup>
5. A blank page has been provided for any **suggestions** from the panel to improve this evaluation process. Comments/ suggestions/ observations from the panel in this regard will always be appreciated, and efforts will be made to consolidate the suggestions and implement them.
6. The complete ORIGINAL evaluation report is to be forwarded to the Academic Section. It is recommended that a copy of the consolidated evaluation report be made available to the student, for his/ her record. It is also recommended that the supervisor(s) retain a copy of this report, until the student graduates.

---

<sup>3</sup> Should the final grade awarded lie outside the closed range [Minimum Individual Grade Awarded, Maximum Individual Grade Awarded] an explanation may kindly be provided.

<sup>4</sup> The detailed items of evaluation in Part A and Part B of the forms for the supervisor(s) and examiners, are meant to facilitate arriving at a conclusion on the individual grade to be awarded. There is **no** pre-specified means of conversion from the points awarded in these items to the individual grade awarded. The manner in which the supervisor(s) or examiners arrive at their individual grades is left to their discretion. However, it is requested that these detailed items be completed, to enable discussion with the Chairperson after the award of individual grades.
