

Individual Learning Plan Guide

Individual Learning Plans are a way to facilitate student involvement in their education and post-secondary planning processes. They will build a portfolio throughout their high school career, which will be used as evidence for an exit interview conducted by a panel of GRHS faculty prior to graduation.

Gateway Regional High School Students will:

Respect cultural, ethnic and religious diversity
 Demonstrate responsible behavior and healthy decision-making
 Develop collaborative interpersonal relationships and skills within the school community
 Actively engage as a citizen within the school community and beyond

Process and communicate information effectively
 Develop critical thinking and problem solving skills
 Develop an awareness of the arts, humanities, sciences, and technology
