Please note: The following project is to align clearly with the standards for school counseling and are to be related to improving student academic achievement. Collaborate with your site supervisor to ensure that the project is beneficial to the school and meaningful for you. Your project will need to align with the standards listed on the **Advanced Internship Assessment (AIA Internship Competencies)**. It is possible for a project to align with more than one standard listed on the **AIA**. List all standards (number of the standard is sufficient) that align with your project.

- A. Title of project and brief description:
- B. Provide two existing data sources to identify and support the need for this project at this internship student's particular site.
- C. Needs Assessment: Who will be surveyed to support the need for this project at this internship student's particular site? (*Examples: students, parents/guardians, faculty, administrators, counselor advisory committee, etc.*)
- D. Identify which AIA Specialty Standard(s) the project aligns with and provide rationale for this identified alignment. (*Examples: FOUNDATIONS, COUNSELING PREVENTION & INTERVENTION, DIVERSITY & ADVOCACY, ASSESSMENT, RESEARCH & EVALUATION, ACADEMIC DEVELOPMENT, COLLABORATION & CONSULTATION, and LEADERSHIP.*)
- E. Identify how the culminating project is culturally sensitive. Describe how issues of conflict, bias, prejudice, oppression, and discrimination are to be addressed during the project implementation. Identify any strategies you may include in the project that promote a positive, caring, and safe learning group environment.
- F. Describe how you plan to evaluate your project for data to show success as well as areas to enhance and/or improve. (*Examples: exit survey, pre/post measures, etc.*)
