

**City of Winder Wall Painting Scope of Work at**  
**75 North Broad Street**

Date: February 3, 2020

**Scope of Work**

**Note: Only the Northeast Wall of the building is to be painted**

**Item 1:** Old Benson's Bread Mural / Sign. This sign is to be protected and not disturbed in anyway. Plastic is to be installed over the entire sign and the edges must be fully taped. The Old Benson's Bread Sign is to remain protected throughout the wall painting process. The actual area to be taped off will be approved by a City of Winder representative.

**Item 2:** Tape off and install plastic to protect the existing door and the windows.

**Item 3:** Pressure wash the wall to remove dirt, mildew, loose paint, dead vines, etc.

**Item 4:** Scrape brick to remove loose paint. Remove roofing tar material from the wall.

**Item 5:** Caulk any cracks and voids in the bricks.

**Item 6:** Wall paint color is to match the existing color on the front of the building. Your price should include all tape, plastic, caulk and paint necessary for the project. Apply two coats of Loxon XP Masonry Paint to the brick wall.

**Item 7:** Remove the tape and plastic from the Old Benson's Bread sign, the door & window surrounds, and touch up the edges where the tape was located as needed. Dispose of all trash.

**Item 8:** Keep the work area free and clear of all trash.

**Item 9:** All wall work and the painting schedule is to be coordinated with the parking lots general contractor Georgia Development Partners.

**Note:** List earliest date you would be able to begin the project. Date:
