From the DEANS Office:

We have seen an increase in student tardies. Students receive detention for unexcused tardies. Any student who fails to serve detention will be issued suspension. Parents, we appreciate any help you can provide with this matter.

If a student is in danger of receiving an FA (failure due to absences), and they have previously been granted an appeal, they will not be eligible to receive an additional waiver this semester.

ANNOUNCEMENTS: 

Student Obligations:

Student obligations must be met before the end of May!

- If you noticed an error with a textbook, please contact that teacher with the barcode that is still checked out to you so that they can check their classroom to have the barcode removed from your account.
- If you notice an error with a class fee, please contact that teacher with the class fee and ask them to please email Ms. D in the media center that you have paid

them or bring your receipt to the media center and it can be removed from your account.

- If you notice an LM – that means late fee. While you returned the library book, it was past its due date. All obligations were removed during the quarantine. If you return a Lost LM, then there is only a \$2 late fee and not the cost of the book.

*** All fees can be paid in the Media Center. All textbooks and items can be returned to the media center. And if you still have something that did not show up in the overdue report, please turn that into the media center as well. Thank you for your help with this!
