

## CANDIDATE STATEMENT

**WILL ARNOLD**

Age: 41

Occupation: Davis City Councilmember

As a community, we have always sought to define our policies by the values we share. We have faced adversity with perseverance, resilience and innovation, and used challenges to learn, adapt, and become national leaders. Now is no different.

In responding to the impacts of COVID-19, we remain dedicated to the health of every resident, maintaining a strong economic foundation, and preserving the culture of the community we love.

Born and raised in Davis, I'm reminded that this historic moment, again, asks us to re-examine and reaffirm our conviction that a person is not defined by gender, color, economics, or disability—but by their compassion and integrity.

Our City Council has become a stable and effective team: our budget is now more secure, we've invested in roads and bike paths, residents have more access to housing and services, and we're examining both policies and assumptions to become more equitable and just.

There's more to do. I will remain a steady, collaborative voice and continue to lead with passion, dedication, and love as we face our challenges together.

It is an honor to serve you; I ask for your vote and the opportunity to continue our work together. Thank you.
