

## **QUALITY ASSURANCE STATEMENT**

Colmar Construction Limited provides a total building and refurbishment service to a wide range of commercial clients, where emphasis is placed on customer service.

Our quality operating procedures are frequently reviewed thus advancing the existing high standards of workmanship and ensuring that the specific requirements of each customer are met.

Colmar Construction Limited maintains an effective Quality Management System where quality procedures operated conform to contractual and regulatory requirements. During performance of service for the client, all relevant safety standards are maintained.

At Colmar Construction Limited our objective is to meet its customer's expectations and needs by giving them the best service, quality and value for money of any similar organisation.
