

2020 Nonprofit Annual Report

Mission Statement: The mission of the Howard L. Lanier III Community Development Corporation is to nurture the future of young people through education, health, and community engagement.

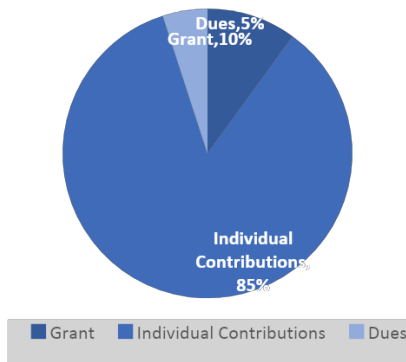

Your contributions have helped families and children throughout the City of Philadelphia and Chester in more ways than one.

During the year of 2020, more than 50 individuals, 30 businesses, and 1 grant has contributed to our organization success.

In the coming years, your support will result in more families and children receiving items, resources and food to help make things a bit easier during these hard times.
