Research minor field ☐ Teaching minor field ☐ Applied minor field ☐

After getting approvals from your readers, please scan this form and email it to the graduate director, along with:

1. A brief abstract (in your own words) of your minor field.
2. A bibliography reflecting your readings for the entire minor field, including those you will complete for HIST 804.

Your bibliography should be organized into sections of several readings each, with each section reflecting a theme or chronological period. Alphabetize entries by author's last name within each section. Indicate with asterisks readings you have already completed.

Please use complete *Chicago Manual of Style* bibliography format for all entries, including the original date of publication for books that have been reprinted. Examples for common materials are online at http://www.chicagomanualofstyle.org/tools_citationguide.html, and the complete manual is online at <http://www.chicagomanualofstyle.org/mutex.gmu.edu/16/contents.html>.
