AVID is a system designed to prepare students to meet the requirements for admission to four-year colleges and universities at the end of high school. Students are expected to maintain satisfactory behavior and academic progress in all courses.

By the end of the next grading period, it is my goal that I will improve my grade(s). To accomplish this, I will:

1. Ask to move my seat to the front of the room or next to a successful student.
2. See my **academic teacher(s)** at least **once a week** for additional help and to check my grade **after school/ at lunch: M T W TH F**
3. See my **AVID teacher** for additional support and to check my contract **after school/ at lunch: M T W TH F**
4. Submit a weekly grade report for all classes and for contract class(es) **signed by parent/guardian every: M T W TH F**
5. Obtain my parent/guardian signature **weekly** in my Agenda/Calendar every: **M T W TH F**
6. Return my **weekly check-in** sheet to my **AVID teacher by 2:30pm on Friday with my grade print out from Infinite Campus** attached

We agree together to support the student in completing this contract over the next three weeks. With all of us working together, success will surely be the outcome. However, if the student fails to complete this contract, a **parent meeting will be scheduled** to discuss their future participation in the AVID program.
