

## Student Schedule

### Weekly Instructional Guide for Distance Education

Schedule Key Terms	
Real - Time Lessons	This is when the material is taught and discussed virtually; <b>students are required to attend</b> via Google and attendance will be taken. Teacher-Student interaction via online platform.
Group Work	This time is used to allow students to work with one another virtually or to provide additional support to individual students. <b>If a student is invited to a group via Google, attendance is expected.</b>
Independent Work	Dedicated time to work on assignments to ensure students keep up with the required course load of work.
Virtual Office Hours	Teachers will be available to answer student questions. Information from teachers on how to directly contact them will be provided.
Targeted Small Group Instruction	Teachers will work with specific small groups of students to provide targeted supports and/or acceleration. <b>If a student is invited to a group via Google, attendance is expected.</b>

**The following weekly schedule will help guide your learning activities while you are at home.**
