Speaker Introduction: Don Cooper

Speaker: Tammy Davis, Training Officer, Scott County Emergency Medical Services

The employees of the Scott County Emergency Medical Service (EMS) hosted the Weekly Meeting of the Scottsburg Kiwanis Club at the new EMS Training Institute, located near Scott Memorial Hospital at 1468 Scott Valley Drive. The employees made six different kinds of soup for dinner, and the members of the Kiwanis Club voted for the one which they liked the most.

Tammy Davis, the new full-time Training Officer for the Scott County EMS employees and for the EMS Training Institute, demonstrated how to use special training manikins. EMS employees and others practice CPR procedures and the use of medical equipment on the manikins.

In addition to training EMS technicians, the EMS Training Institute has applied for accreditation to provide paramedic training. When approved, they will be the 22nd facility in the State of Indiana to provide this level of training.

The Scott County EMS is staffed 24 hours a day, seven days a week, and has three ambulances to serve the people of Scott County. Scott County EMS is funded from billing patients for the services that it provides. Over half of the patients are covered by Medicare or Medicaid. Scott County EMS does not receive any government funds to operate.

The Scottsburg Kiwanis Club thanked the Scott County EMS employees and Tammy for providing a delicious dinner and for giving an informative presentation and tour of the EMS facilities.

Old Business:

1. Lexington Elementary School is collecting plastic bottle caps, such as soft drinks, laundry detergent, prescriptions, etc., for a picnic table. Please bring the caps to the Kiwanis Weekly Meeting and tell your friends and family about this project. People may also drop off the bottle caps at Goin Postal or the Visitors Commission office. Since this project requires no expenditure of funds and little time, I hope that everyone will participate! With this project LES has been able to obtain 3 "Buddy Benches".

New Business:

1. **Kiwanis Parent Comfort Cart:**

Kiwanis Clubs from all over Indiana donate items for the Riley Childrens' Hospital Kiwanis Parent Comfort Cart. Kiwanis volunteers push the cart through the halls of Riley Childrens Hospital with items parents and guardians may need while there with their kids undergoing treatment. The Parent Comfort Cart is one of the most popular and appreciated items Kiwanis provide to families to make their stay at Riley more comfortable.

Al Riggle will be attending a meeting of the KIDS Committee on 13 Dec at Riley Childrens' Hospital. With fall and the holidays coming, let's make an effort to donate items this fall to donate to the Kiwanis Parent Comfort Cart. We can collect the items at our meetings or drop them off with Al and he'll take them to Riley in December.

Donated items must be travel size. Some of the items needed are:
