

Fund Development Clinic: *Create a Draft Fundraising Plan in One Day!*

Creating a comprehensive fund development plan to successfully engage donors and increase contributed income is essential for long-term fundraising success. This planning clinic will guide your nonprofit, step-by-step, in creating a draft fund development plan. Fundraising consultant, Lee Ellen Martin will provide a combination of presentation and hands-on planning opportunities. The fund development clinic is designed for key staff and fundraising volunteers. The clinic offers the perfect opportunity to get everyone on the same page and kick-start your fundraising efforts with a comprehensive plan. **This clinic is for the chief development officer and/or Executive Director/CEO and at least one key volunteer must also attend.**

In advance of the clinic, your organization will receive a workbook to audit your past fundraising efforts to identify strengths and opportunities for growth. At the clinic, you will receive additional planning tools and learn:

- The tried and true basics for each strategy in a comprehensive fundraising plan
- The appropriate role of special events and grant proposals
- Tips for turning board members and other volunteers into fantastic fundraisers – without them even knowing it
- Specific steps for finding and prioritizing prospective donors

See what others are saying about the KNN Fund Development Clinic:

The speaker was excellent. She had so many helpful points, and her personal experiences made the clinic even more interesting. - Sandy Hall, Board Member, Gateway Regional Arts Center

The workbook used at the Clinic is an inspiration. I like it because it is something we can use with our committee. It is simple and straightforward and a guide - just as intended. I liked the interaction between facilitator and participants. Giving us time to talk about each part of the workbook was good. - Donna Boggs, CEO, Sarah's Place Women's Resource Center

The presentation was effective. The speaker was full of knowledge and kept the audience interested. Working in small groups was effective. Forming a plan at the meeting, and being able to relate the items brought to the table immediately and having ample time for discussion were really helpful. - Anonymous Board Member
