Dear Coach,

I would like to introduce myself. I am currently a junior at Long Reach High School in Columbia Maryland. I am just starting to explore my college options and am interested in your school. I have played high school volleyball for 3 years, starting as a setter for the last two. Please see my attached Athletic Resume for more details. As part of my college experience, I would definitely like to play volleyball at the intercollegiate level. My goal for college is to obtain a solid education so that I can pursue further education in (*future goal*). I also plan to work hard to maximize my talents in volleyball, and would be a definite asset to your team. Last season I (*summarize if it was good*). My skills are solid, my heart is in my sport, and I've got the dedication to train hard to become an even better athlete.

My cumulative GPA through my sophomore year is 3.75 and my first SAT scores were 500 Verbal and 500 Math, but I will be retaking them in May.

If you are interested in me as a prospective player for your volleyball program, you can contact me at the address above or via my email address. You can also contact my coach and/or references from the information I have supplied. **I have also enclosed a copy of my volleyball schedule for the upcoming season (\*\*Make sure to include!!!)** If you need any additional information, such as videotapes, or if I can be of further assistance in this process, please do not hesitate to contact me. Thank you so much for your time, and I'm looking forward to learning more about your school.
