

## SAGE ALERTS & WORKFLOWS 90 DAY TRIAL AGREEMENT & PROFESSIONAL SERVICES

### DESCRIPTION

This agreement covers a special 90 Day Free Trial of Sage Alerts and Workflows from Net@Work

### NET@WORK DELIVERABLES

- 90 Day Trial License of Sage Alerts & Workflows (this is a full production copy of the software with a license that expires 90 days from day of installation)
- Introductory remote consulting session with Net@Work Senior Consultant to review needs and to assist in selection of 3 applicable pre-configured Events to meet those needs (1 hour limit)
- Download, remote installation and configuration of software to connect to Sage 300
- Configuration of one (1) Internet-based email account for the sending of email alerts and up to three (3) alert recipients ("subscribers")
- Configuration & testing of up to three (3) Alert Events from existing Sage 300 Event Pack;
- One (1) hour of training
- Pre-scheduled remote session to review results towards end of 90 day trial period (1 hour limit)
- Implementation of Reports and Workflow is outside this scope of work and not included in the trial license.

### CLIENT COMMITMENTS

- Payment of \$500 upon signing this agreement
- Allocate 1 hour of time for a remote planning session with Net@Work Senior Consultant
- Availability of appropriate personnel during installation and configuration to ensure proper access and security
- Commitment to use and evaluate software over 90 day trial period
- Commitment to pre-schedule a review session towards the end of the 90 day trial period
- Agreement to purchase the software after 90 days, or allow Net@Work to uninstall software if decision is made not to purchase

### INVESTMENT
