Based on the results of the evaluation, the County will award the project to the most advantageous Proposer based on the cost and the evaluation factors set forth in the RFP.

1.2 BACKGROUND

Fulton County was created in 1853, by the Georgia General Assembly, and is the largest County governmental jurisdiction in the State of Georgia. The County provides a range of services to more than 934,000 residents, employs a workforce of approximately 6,000 employees, and operates on an annual budget that exceeds \$600 million. The County is governed by a seven (7) member Board of Commissioners, five (5) elected by geographic district and two (2) elected county-wide, including the Chairman. Members are part-time and serve concurrent four (4) year terms.

Responsibilities of the Board of Commissioners include: establishing policies for the health and welfare of County residents, adopting an annual budget for County government operations, authorizing bond referenda, and enacting plans for County growth and development.

The County government is administered by a County Manager, who is appointed by the Board of Commissioners. The County Manager implements the Board's policies, prepares the annual budget for the Board's approval, appoints Department Heads, and supervises the County's employees. The County Manager oversees approximately 38 departments involved in such areas as roads and utilities, public safety, courts, social services, health, environment and community development, purchasing, and tax assessment.

The Intergovernmental and Interagency Affairs Division ("Intergovernmental Affairs") is a division of the County Manager's Office and will be responsible for the administration of the contract which results from this RFP.

The primary mission of the Intergovernmental Affairs Division is to coordinate the legislative, community and political activities of Fulton County with local, state and federal governments and other institutions. Intergovernmental Affairs has an established State Legislative Program in which it develops the County's legislative "package" for Board of Commissioners approval and ultimate submission to the Fulton County legislative delegations. The primary legislative functions of the Intergovernmental Affairs are as follows:

- Develop an annual Legislative "Package".
- Identify potential Sponsors for legislation.
- Organize legislative breakfasts, luncheons and other legislative receptions.
- Track, monitor, and analyze legislation through the legislative process.
- Attend and represent the County before legislative committees and delegation meetings.

-
- Prepare and distribute bi-weekly status reports to the Board of Commissioners, the County Manager, County Department Heads, and Departmental Legislative Liaisons.
 - Provide copies of legislation, amendments, and proposed legislation to Department Heads and Legislative Liaisons.
 - Attend and coordinate delegation meetings, and work closely with members of the delegation.

25. Fulton County reserves the right to accept or reject any or all proposals, or any part thereof, and to waive any technicalities. Fulton County reserves the right to award a contract based on this RFP and the proposal(s) received (in whole or in part) to one or several Vendors.

FY 2011 Federal Appropriations Requests:

Request 1: Integrated Health Center Expansion: \$750,000

Federal funding is requested in the amount of \$750,000 to support one-time costs associated with the expansion of "one-stop" integrated healthcare facilities throughout Fulton County to address health disparities, alleviate the burden of emergent care at Grady Hospital, and to provide better and more efficient provision of medical services to populations that experience disproportionately higher levels of diabetes, heart disease, cancer and stroke. These health centers currently provide a variety of services such as child health services, immunizations, WIC, family planning services, immunizations, as well as STD

screenings and treatment. Fulton County seeks to expand current offerings to include well-patient/preventive care, sick-patient care, OB/GYN services, a pharmacy, oral health services, behavioral health counseling (including integration of behavioral health with primary health services), behavioral health group sessions, day care drop-in services, a reading room/information center, workforce development services, disability and vocation rehabilitation services, foreclosure prevention services, and housing assistance. Additionally, specific services will be provided based upon needs expressed by the community such as English to Speakers of Other Languages (ESOL), after school programs, farmers markets, and HIV counseling. This project will serve 1,800 individuals.

Request 2: Recidivism Prevention: \$350,000

Federal funding is requested in the amount of \$350,000 to support the one-year pilot and evaluation of the Second Chance Recidivism Prevention Demonstration Program. In June 2009 Fulton County Commission Chairman John Eaves brought together government agencies, state and local criminal justice agencies and law enforcement, government agencies and community stakeholders to form a Reentry Task Force as a collaborate effort to develop strategies to stem the tide of recidivism. The goal of the task force was to identify service gaps, duplicate services, and recommend best practices to reduce recidivism in Fulton County. The result was a proposed comprehensive solution integrating the resources of all relevant state agencies, County Human Service Department divisions: Behavior Health, Health and Wellness and Human Services, the Fulton County District Attorney's Office, Superior Court-Drug Court Division, Sheriff's Department, Juvenile Court (regarding children of inmates) and community social service non-profits in a sustained long-term approach to the problem.

Request 3: Green Jobs Training Program: \$400,000

Federal funding is requested in the amount of \$400,000 to support one-time costs to implement and evaluate a no-cost job education and professional training program in Fulton County to place at-risk adults into permanent full-time jobs in the "green" sector. SECTION 6

CONTRACT COMPLIANCE REQUIREMENTS

6.1 NON-DISCRIMINATION IN CONTRACTING AND PROCUREMENTS

It is the policy of Fulton County Government that discrimination against businesses by reason of the race, color, gender or national origin of the ownership of any such business is prohibited. Furthermore, it is the policy of the Board of Commissioners ("Board") that Fulton County and all vendors and contractors doing business with Fulton County shall provide to all businesses the opportunity to participate in contracting and procurement paid, in whole or in part, with monetary appropriations of the Board. Similarly, it is the policy of the Board that the contracting and procurement practices of Fulton County should not implicate Fulton County as either an active or passive participant in the discriminatory practices engaged in by private contractors or vendors seeking to obtain contracts with Fulton County.

Equal Business Opportunity Plan (EBO Plan): In addition to the proposal submission requirements, each vendor must submit an Equal Business Opportunity Plan (EBO Plan) with their bid/proposal. The EBO Plan is designed to enhance the utilization of a particular racial, gender or ethnic group by a bidder/proposer, contractor, or vendor or by Fulton County. The respondent must outline a plan of action to encourage and achieve diversity and equality in the available procurement and contracting opportunities with *this solicitation*.

The Plan must identify and include:

1. Potential opportunities within the scope of work of *this solicitation* that will allow for participation of racial, gender or ethnic groups. (Ex: subcontracting, joint venturing, etc.)
2. Efforts that will be made by the bidder/proposer to encourage and solicit minority and female business utilization in *this solicitation*. (Ex: media solicitation directed to M/FBEs, contacting Fulton County certified M/FBEs listed in the M/FBE Directory, etc.)

Fulton County encourages joint ventures, teaming, partnering and mentor-protégé relationships with minority and female businesses in an effort to achieve contracting and procurement diversity.

Prompt Payment: The prime contractor must certify in writing and must document on the Exhibit G Form (Prime Contractor/Subcontractor Utilization Report) that all subcontractors, sub-consultants and suppliers have been promptly paid for work and materials, (less any retainage by the prime contractor prior to receipt of any further progress payments). In the event the prime contractor is unable to pay subcontractors,

sub-consultants or suppliers until it has received a progress payment from Fulton County, the prime contractor shall pay all subcontractors, sub-consultants or suppliers funds due from said progress payment within forty-eight (48) hours of receipt of payment from Fulton County. In no event shall a subcontractor, sub-consultant or supplier be paid later than fifteen (15) days as provided for by state law.

6.2 REQUIRED FORMS AND EBO PLAN

In order to be compliant with the intent and provisions of the Fulton County Non-Discrimination in Purchasing and Contracting Ordinance (99-0960), bidders/proposers **must** submit the following completed documents. Failure to provide this information **shall** result in the proposal being deemed non-responsive.

The following document must be completed as instructed if awarded the project:

- Exhibit G – Prime Contractor's Subcontractor Utilization Report

All Contract Compliance documents (Exhibits A – F and EBO Plan) are to be placed in a **separate sealed envelope** clearly marked "Contract Compliance". The EBO Plan must be submitted on company letterhead. These documents are considered part of and should be submitted with the Technical Proposal.

ARTICLE 35. **JURISDICTION**

This Agreement shall be administered and interpreted under the laws of the State of Georgia. Jurisdiction of litigation arising from this Agreement shall be in that state. If any part of this Agreement is found to be in conflict with applicable laws, such part shall be inoperative, null and void insofar as it is in conflict with said laws, but the remainder of this Agreement shall be in full force and effect.

Whenever reference is made in the Agreement to standards or codes in accordance with which work is to be performed, the edition or revision of the standards or codes current on the effective date of this Agreement shall apply, unless otherwise expressly stated.

ARTICLE 36. **EQUAL EMPLOYMENT OPPORTUNITY**

During the performance of this Agreement, Consultant agrees as follows:

Section 36.01 Consultant will not discriminate against any employee or applicant for employment because of race, creed, color, sex or national origin;

Section 36.02 Consultant will, in all solicitations or advertisements for employees placed by, or on behalf of, Consultant state that all qualified applicants, will receive consideration for employment without regard to race, creed, color, sex or national origin;

Section 36.03 Consultant will cause the foregoing provisions to be inserted in all subcontracts for any work covered by the Agreement so that such provision will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

ARTICLE 37. **FORCE MAJEURE**

Neither County nor Consultant shall be deemed in violation of this Agreement if either is prevented from performing its obligations hereunder for any reason beyond its control, including but not limited to acts of God, civil or military authority, act of public enemy, accidents, fires, explosions, earthquakes, floods or catastrophic failures of public transportation, provided however, that nothing herein shall relieve or be construed to relieve Consultant from performing its obligations hereunder in the event of riots, rebellions or legal strikes.

ARTICLE 38. OPEN RECORDS ACT

The Georgia Open Records Act, O.C.G.A. Section 50-18-70 et seq., applies to this Agreement. The Consultant acknowledges that any documents or computerized data provided to the County by the Consultant may be subject to release to the public. The Consultant also acknowledges that documents and computerized data created or held by the Consultant in relation to the Agreement may be subject to release to the public, to include documents turned over to the County. The Consultant shall cooperate with and provide assistance to the County in rapidly responding to Open Records Act requests. The Consultant shall notify the County of any Open Records Act requests no later than 24 hours following receipt of any such requests by the Consultant. The Consultant shall promptly comply with the instructions or requests of the County in relation to responding to Open Records Act requests.

ARTICLE 39. CONSULTANT'S COMPLIANCE WITH ALL ASSURANCES OR PROMISES MADE IN RESPONSE TO PROCUREMENT

Where the procurement documents do not place a degree or level of service relating to the scope of work, M/FBE participation, or any other matter relating to the services being procured, should any Consultant submit a response to the County promising to provide a certain level of service for the scope of work, M/FBE participation, or any other matter, including where such promises or assurances are greater than what is required by the procurement documents, and should this response containing these promises or assurances be accepted by the County and made a part of the Contract Documents, then the degree or level of service promised relating to the scope of work, M/FBE participation, or other matter shall be considered to be a material part of the Agreement between the Consultant and the County, such that the Consultant's failure to provide the agreed upon degree or level of service or participation shall be a material breach of the Agreement giving the County just cause to terminate the Agreement for cause, pursuant to ARTICLE 14 of the Agreement.

ARTICLE 40. INVOICING AND PAYMENT

Consultant shall submit monthly invoices for work performed during the previous calendar month, in a form acceptable to the County and accompanied by all support documentation requested by the County, for payment and for services that were completed during the preceding phase. The County shall review for approval of said invoices. The County shall have the right not to pay any invoice or part thereof if not properly supported, or if the costs requested or a part thereof, as determined by the County, are reasonably in excess of the actual stage of completion.

Time of Payment: Invoices for payment shall be submitted to County by the first (1st) calendar day of the month to facilitate processing for payment in that same month. Invoices received after the first (1st) calendar day of the month may not be paid until the last day of the following month. The County shall make payments to Consultant by U.S. mail approximately thirty (30) days after receipt of a proper invoice. Parties hereto

expressly agree that the above contract term shall supersede the rates of interest, payment periods, and contract and subcontract terms provided for under the Georgia Prompt Pay Act, O.C.G.A. 13-11-1 et seq., pursuant to 13-11-7(b), and the rates of interest, payment periods, and contract and subcontract terms provided for under the Prompt Pay Act shall have no application to this Agreement; parties further agree that the County shall not be liable for any interest or penalty arising from late payments.

Submittal of Invoices: Consultant shall submit all invoices in original and one (1) copy to:

Optional: [A narrative of one (1) page only, listing the scope of services billed for shall accompany each invoice.]

County's Right to Withhold Payments: The County may withhold payments for services that involve disputed costs, involve disputed audits, or are otherwise performed in an inadequate fashion. Payments withheld by the County will be released and paid to the Consultant when the services are subsequently performed adequately and on a timely basis, the causes for disputes are reconciled or any other remedies or actions stipulated by the County are satisfied. The County shall promptly pay any undisputed items contained in such invoices.

Payment of Sub-consultants/Suppliers: The Consultant must certify in writing that all sub-consultants of the Consultant and suppliers have been promptly paid for work and materials and previous progress payments received. In the event the prime Consultant is unable to pay sub-consultants or suppliers until it has received a progress payment from Fulton County, the prime Consultant shall pay all sub-consultants or supplier funds due from said progress payments within forty-eight (48) hours of receipt of payment from Fulton County and in no event later than fifteen days as provided for by State Law.

Acceptance of Payments by Consultant; Release. The acceptance by the Consultant of any payment for services under this Agreement will, in each instance, operate as, and be a release to the County from, all claim and liability to the Consultant for work performed or furnished for or relating to the service for which payment was accepted, unless the Consultant within five (5) days of its receipt of a payment, advises the County in writing of a specific claim it contends is not released by that payment.

ARTICLE 41. **NON-APPROPRIATION**

This Agreement states the total obligation of the County to the Consultant for the calendar year of execution. Notwithstanding anything contained in this Agreement, the obligation of the County to make payments provided under this Agreement shall be subject to annual appropriations of funds thereof by the governing body of the County and such obligation shall not constitute a pledge of the full faith and credit of the County within the meaning of any constitutional debt limitation. The Director of Finance shall deliver written notice to the Consultant in the event the County does not intend to budget funds for the succeeding Contract year.

Notwithstanding anything contained in this Agreement, if sufficient funds have not been appropriated to support continuation of this Agreement for an additional calendar year or an additional term of the Agreement, this Agreement shall terminate absolutely and without further obligation on the part of the County at the close of the calendar year of its execution and at the close of each succeeding calendar year of which it may be renewed, unless a shorter termination period is provided or the County suspends performance pending the appropriation of funds.

ARTICLE 42. **WAGE CLAUSE**

Consultant shall agree that in the performance of this Agreement the Consultant will comply with all lawful agreements, if any, which the Consultant had made with any association, union, or other entity, with respect to wages, salaries, and working conditions, so as not to cause inconvenience, picketing, or work stoppage.

IN WITNESS THEREOF, the Parties hereto have caused this Contract to be executed by their duly authorized representatives as attested and witnessed and their corporate seals to be hereunto affixed as of the day and year date first above written.
