

2018 Wilsonville Chamber of Commerce Charity Golf Tournament

July 24, 2018 ~ Langdon Farms Golf Club

2018 WACC Golf Sponsorship Proposal Investment & Participation Opportunities

The Wilsonville Chamber of Commerce offers a variety of annual programs and events to benefit its membership and to promote and inform the Wilsonville area business community. Many Chamber activities present excellent opportunities for members to enhance their image in the business community by putting their names before a target audience of local and regional business people.

Your company's sponsorship of the 2018 Charity Golf Tournament event is a unique WIN-WIN:

Your business wins by getting valuable exposure to key local business professionals; your support enables the Chamber to offer a greater number of quality programs and special events, and raise important Workforce Scholarship funds that enable students to be successful. These scholarships are specifically designed for post-high school students planning on attending an accredited vocational-technical school and can be used for tuition, specialized equipment or tools. The purpose of the career and technical education (CTE) scholarships is to address current and future shortages in the region's workforce, notably the lack of skilled trades workers.
