
Product Boycott List

Dairy Alternatives

1. **Almond Milk:** A popular dairy-free alternative made from almonds. Concerns have been raised about the environmental impact, including excessive water usage in production and its contribution to deforestation.
 - **Reason for Boycott:** Unsustainable agricultural practices
2. **Soy Milk:** A plant-based milk alternative derived from soybeans. Often criticized due to its reliance on genetically modified crops and issues surrounding large-scale monoculture farming.
 - **Reason for Boycott:** GMO concerns and environmental degradation

Imported Cheeses

1. **Brie Cheese (France):** A soft, creamy cheese known for its rich taste and imported from France. The production and shipping processes contribute significantly to carbon emissions and non-biodegradable packaging waste.
 - **Reason for Boycott:** High environmental impact
2. **Parmesan Cheese (Italy):** A hard cheese imported from Italy, highly valued for its flavor. Its supply chain involves intensive resource consumption and a lack of transparency in labor practices.
 - **Reason for Boycott:** Ethical concerns and environmental footprint
