I. **PURPOSE:** The purpose of this Request for Proposal (RFP) is to solicit sealed proposals to establish a contract **through competitive negotiation for the purchase of a new website at [visitcharlottesville.org](http://visitcharlottesville.org)** by the County or the **Charlottesville Albemarle Convention and Visitors Bureau.**

II. **BACKGROUND:** The Charlottesville Albemarle Convention and Visitors Bureau, with Albemarle County government serving as the fiscal agent, is creating a new version of the CACVB website ([visitcharlottesville.org](http://visitcharlottesville.org)) that will incorporate current Destination Marketing Organization (DMO) industry best practices to promote Charlottesville/Albemarle to domestic and international audiences. When the newly developed website is complete, it will replace the existing site. The new site will continue to integrate with a Customer Relationship Management (CRM) system. In their proposals, Offerors will be asked to specify a Content Management System (CMS) and a CRM upon which the new website will be built and to outline the website strategy, navigation, user interface and functionality.

**GENERAL OBJECTIVES:**

The new CACVB website needs to achieve the following key objectives:

- Attract meeting, convention and leisure visitors to Charlottesville/Albemarle – driving overnight hotel stays (particularly during off-peak periods of mid-summer and winter and midweek year-round) – and increase visitor spending at local businesses and attractions.
- Provide meeting and group planners, business and leisure travelers (domestic and international), travel industry stakeholders (hotels, stores, restaurants, attractions and other supporting businesses and non-profits), media and residents with information on hotels, shopping, dining, attractions, arts, transportation, history and other tourism-related topics, as well as information other relevant regional highlights.
- Provide an insider's perspective on the destination, including lesser-known attractions and one-of-a-kind experiences.
- Enable users worldwide to access information and materials to plan their trips
- Aid meeting and group planning professionals in the discovery of Charlottesville/Albemarle's group and meeting assets, both within and outside of hotels.
- Motivate meeting and group professionals to select Charlottesville/Albemarle over other destinations as host site for their meetings/conventions, and to book pre- and post-event vacation stays.
- Motivate travel media and influencers to write about Charlottesville/Albemarle topics that are of interest to their audiences.

III. **PROCUREMENT SCHEDULE AND TERM OF ANTICIPATED CONTRACT:** Five (5) years from final contract execution date with option for up to five (5) additional one (1) year renewals for service and maintenance. The option to exercise renewal is the sole prerogative of the Albemarle County CACVB.

The website's go-live date must be no later than 180 days after the CACVB contract is fully executed. The County CACVB anticipates, however does not guarantee that it will accept the website as final 180 days after the go-live date. The Contractor must address any development issues that the CACVB raises after go-live before the County will accept the website as final; additionally the CACVB will retain 5% of the Contractor's fees until final acceptance. Contract Term for Hosting, Maintenance and Technical Support will commence after Final Acceptance of the website and will be completed 5 calendar years thereafter.

- IV. **COMPETITION INTENDED:** It is the County's intent that this Request for Proposal (RFP) permits competition. It shall be the Offeror's responsibility to advise the Purchasing Agent in writing if any language requirement, specification, etc. or any combination thereof, inadvertently restricts or limits the requirements stated in this RFP to a single source, or otherwise restrict competition. All comments, questions, or requests for clarification, including any notification regarding restrictions to competition, must be received by the Purchasing Agent not later than seven (7) days prior to the date set for receipt of offers. Offerors may not rely on any oral explanations, clarifications, or changes to the solicitation. All explanations, clarifications, or changes will be issued in written form as detailed below. The County will not be bound by any oral statements.

All inquiries and any changes to the requirements of this solicitation shall be answered by issue of written addenda to the solicitation. It shall be the responsibility of the Offeror to acknowledge all addenda by signing and returning a copy of all addenda with the offer submission or by separate acknowledgement of each addendum by number and date, in writing. Offerors are advised to contact this office to confirm the number of addenda five (5) days before the date established for official due date. All addenda will be issued by not later than five (5) days prior to offer due date.

Development will also include integration with third-party Application Program Interfaces (API), including Google, SceneThink, the recommended CRM, social media and others.

The Contractor will develop a complete technical requirements document that the Contractor and CACVB will use throughout the website development process, as well as for formal documentation of the work completed.

The Contractor will work with the CACVB and the Contractor's preferred advertising partner to develop website elements that require integration of digital advertising components.

Offerors proposing to use non open-source technology must demonstrate an equivalent skillset.

The Offeror must have Information Architecture, User Interface and User Experience (IA/UI/UX) and Search Engine Optimization (SEO) experts on staff (contract employees are acceptable).

#### **PROJECT ORGANIZATION AND TIMEFRAME:**

The project kick-off meeting and the final project wrap-up presentation must be held online while under Emergency Ordinance in Albemarle County and in person once restrictions are lifted, and the Contractor will be required to attend those meetings in person if meetings are held in person. Throughout the project, there will be weekly teleconferences between the CACVB and the development team; and the County may schedule additional teleconferences as needed.

The website's go-live date must be no later than 180 days after the CACVB executes the Agreement. The County anticipates but does not guarantee that it will accept the website as final 180 days after the go-live date. The Contractor must address any development issues that the CACVB raises after go-live before the County will accept the website as final; and the CACVB will retain 5% of the Contractor's fees until final acceptance.

VI. PROPOSAL PREPARATION AND SUBMISSION INSTRUCTIONS:

A. GENERAL INSTRUCTIONS:

1. RFP Response: In order to be considered for selection, offerors must submit a complete sealed proposal response to this RFP. Per page three of this RFP. Should the proposal contain proprietary information, provide one (1) redacted copy of the proposal and attachments with proprietary portions removed or blacked out.
2. Redacted Copies: The redacted proposal, with proprietary language or data removed or blacked out, will be made available to the public in accordance with § 2.2-4342F of the Code of Virginia in response to requests for documents. It shall be the sole responsibility of the Offeror to ensure the supplied, redacted copy protects the firm's interests with regards to proprietary or confidential information that, in accordance with § 2.2-4342F of the Code of Virginia may be considered protected information.

No other distribution of the proposal shall be made by the offeror.

3. Proposal Preparation:

- a. Proposals shall be signed by an authorized representative of the offeror. All information requested should be submitted. Failure to submit all information requested may result in the County of Albemarle requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete, do not adhere to the guidelines or budget parameters (if provided), or lack key information may be rejected by the County. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.
- b. Proposals should be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.
- c. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, subletter, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and subletter should be repeated at the top of the next page. The proposal should contain a table of contents which cross-references the RFP requirements. Information which the offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.
- d. As used in this RFP, the terms "must", "shall", "should" and "may" identify the criticality of requirements. "Must" and "shall" identify requirements whose absence will have a major negative impact on the suitability of the proposed solution. Items labeled as "should" or "may" are highly desirable, although their absence will not have a large impact and would be useful but are not necessary. Depending on the overall response to the RFP, some individual "must" and "shall" items may not be fully satisfied, but it is the intent to satisfy most, if not all, "must" and "shall" requirements. The inability of an Offeror to satisfy a "must" or "shall" requirement does not automatically remove that Offeror from consideration; however, it may seriously affect the overall rating of the Offerors' proposal.
- e. Each copy of the proposal should be bound or contained in a single volume where practical. All documentation submitted with the proposal should be contained in that single volume.

- f. Ownership of all data, materials, and documentation originated and prepared for the County pursuant to the RFP shall belong exclusively to the County and be subject to public inspection in accordance with the *Virginia Freedom of Information Act*. Trade secrets or proprietary information submitted by an offeror shall not be subject to public disclosure under the *Virginia Freedom of Information Act*; however, the offeror must invoke the protections of *Virginia Code* § 2.2-4342(F), in writing, either before or at the time the data or other material is submitted. The written notice must specifically identify the data or materials to be protected and state the reasons why protection is necessary. The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable.
  - g. All costs of proposal preparation and presentation shall be borne by each offeror. The County is not liable for any cost incurred by the offeror prior to issuance of a contract.
4. Oral Presentation: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the County. This provides an opportunity for the offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. The County will schedule the time and location of these presentations. Oral presentations are an option of the County and may or may not be conducted.

B. SPECIFIC PROPOSAL INSTRUCTIONS:

Within 20 days after the receipt of an invoice for goods or services, the County shall notify the supplier of any defect or impropriety that would prevent payment by the required payment date. In the event that the County fails to make payment by the required payment date, the County shall pay any finance charges assessed by the supplier that shall not exceed one percent per month. Upon determining that invoiced charges are not reasonable, the County shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. Contractor agrees to indemnify and hold harmless the County and its agents, volunteers, servants, employees, and officials from and against any and all claims, losses, or expenses, including reasonable attorney's fees and litigation expenses suffered by any indemnified party or entity as the result of claims or suits due to, arising out of or in connection with (a) any and all such damages, real or alleged, (b) the violation of any law applicable to this Agreement, and (c) the performance of the work by Contractor or those for whom Contractor is legally liable. This Agreement supersedes all prior written or oral agreements or proposals between the parties, regarding the subject matter of this Agreement. This Agreement may not be modified except in a writing signed by both parties that is expressly stated to be an amendment hereto.
22. Independent Contractor: Contractor shall agree and covenant that it is and shall be at all times, an independent contractor and, as such, shall have and maintain complete control over all of its employees and operations. Neither the Contractor nor anyone employed by it shall be, represent, act, purport to act, or be deemed to be an agent, representative, employee or servant of the County. Nothing in this section shall be deemed to absolve or otherwise limit the Contractor's liability and responsibility to safely and correctly perform its duties under this Agreement.
23. Waiver: No failure of County to exercise any right or power given to it by law or by this

Agreement or to insist upon strict compliance by Contractor with any of the provisions of this Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of the County's right to demand strict compliance with the terms of this Agreement.

24. Interpretation: Whenever the context hereof shall require, the singular shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders.
25. Severability: The provisions of this Agreement shall be deemed to be severable, and should any one or more of such provisions be declared or adjudged to be invalid or unenforceable, the remaining provisions shall be unaffected thereby and shall remain in full force and effect.
26. Cooperative Procurement: This Agreement was awarded in accordance with Section 2.2-4304 of the Virginia Public Procurement Act (VPPA), and in accordance with the Purchasing Manual of Albemarle County and the County. The procurement was conducted on behalf of the County and other public bodies. Therefore, pursuant to Code Section 2.2-4304, other public bodies and agencies shall have the right to utilize the provisions of the Agreement. However, when other public bodies and agencies utilize the contract, Contractor must establish a separate contractual relationship between it and the other party. Under no circumstances shall the County be a party to or incur any obligations or responsibilities, contractual or otherwise, in association with these contractual agreements between the Contractor and another public body or agency.
27. Contract Claims by Contractor: Prompt knowledge by the County of an existing or impending claim for damages or other relief may alter the plans, scheduling, or other action of the County and/or result in mitigation or elimination of the effects of the claim. Therefore, a written statement providing the County with notice of the Contractor's intention to file a claim which (i) describes the act or omission by the County or its agents that the Contractor contends caused it damages or entitles it to other relief; and (ii) provides a description of the nature and amount of the claim. Such written statement shall be submitted to the Purchasing Office of the Albemarle County Department of Finance within 20 days of the time of the occurrence or beginning of the work upon which the claim is based; provided, however, if such damage is deemed certain in the opinion of the Contractor to result from its acting on an order from the County, it shall immediately take written exception to the order. For purposes of this provision, "claim" shall include, without limitation, any request for an increase in the Agreement price or time and any request for equitable adjustment. Submission of a notice of claim as specified shall be mandatory, and failure to submit such notice shall be a conclusive waiver to such claim for damages or other relief by the Contractor. Neither an oral notice or statement, nor an untimely notice or statement will be sufficient to satisfy the requirements herein. The County will review the claim and render a final decision in writing within thirty (30) days of receipt of Contractor's written request for a final decision. Such decision shall be final and binding to the fullest extent allowed by law.
28. Claims for Extra Compensation: If Contractor encounters work and services not included in this Agreement or any supplement thereto but which in the opinion of Contractor is necessary for the successful completion of the Agreement and requires extra compensation, Contractor shall, before it begins the work on which it bases its claim, promptly notify the Purchasing Office of the Albemarle County Department of Finance in writing of its intention to perform the work and to make claim for extra compensation. Notification by Contractor under the terms of this paragraph shall not be construed as proving the validity of the claim. No claim for extra compensation will be filed or considered unless notification is given as herein set forth. Upon notification, the County shall promptly review any claim for extra compensation. If a claim is accepted by the County, it shall be paid as extra work in accordance with the terms of a supplemental agreement executed by the parties before such work is begun. The amounts claimed as extra compensation by Contractor shall be separately itemized, become a part of the claim, and serve as documentation thereto. The amounts itemized shall be in sufficient detail to enable the County to analyze the need for the extra work and the costs claimed for the work.

29. Payments to Subcontractors: In accordance with Virginia Code Section 2.2-4354 of the Virginia Public Procurement Act, the Contractor shall make payment to all subcontractors, as defined in the Code, within seven (7) days after receipt of payment from the County; or, shall notify the County and the subcontractor in writing of the intention to withhold all or part of the amount due with the reason for nonpayment. In the event payment is not made as noted, the Contractor shall pay interest at the rate of one percent (1%) per month unless otherwise provided in the contract to the subcontractor on all amounts that remain unpaid after seven (7) days except for the amounts withheld as provided herein. These same requirements shall be included in each subcontract and shall be applicable to each lower-tier subcontractor. In certain cases, where coverage is unavailable through licensed carriers, certificates of insurance written by a Surplus Lines Carrier authorized by the Virginia State Corporation Commission to transact the business of insurance in Virginia and acceptable to the County may be approved. Contractor shall furnish the County with certificate of insurance showing Contractor's compliance with the foregoing requirements.

For all insurance coverage except Workers' Compensation and Professional Liability, the School Board and its officers, employees, agents and volunteers must be named as additional insureds and shall be so endorsed to the policy or policies.

31. Payment/Performance Bonds: Contractor shall furnish to the County a payment bond and a performance bond in conformity with Va. Code § 2.2-4337 and/or 2.2-4339 [choose one-then delete this note] each payable to the County and each in the sum of the Agreement amount. The performance bond shall be conditioned upon the faithful performance of the Agreement in strict conformity with the terms and conditions of the Agreement, and the payment bond shall be conditioned upon the prompt payment for all such material furnished or labor supplied or performed in the prosecution of the work. Each of the bonds shall be executed by one or more surety companies selected by Contractor which are licensed and legally authorized to conduct the business of insurance, including surety, within the Commonwealth of Virginia.

Contractor hereby acknowledges that any person making a materially false statement regarding any

such offense shall be guilty of a class 1 misdemeanor and, upon conviction, the fact of such conviction shall be grounds for the revocation of this Agreement and, when relevant, the revocation of any license required to provide such services.
