

Ocean Grove Charter School
Common Core State Standards Implementation Grant Plan

Estimated Funding: **\$368,400**

Funding Distribution: 50% August 2013, and, 50% October 2013

Expenditure Timeline: July 2013 thru June 2015

Expenditure of Common Core funding will be in alignment with the state allowable expenditures outlined below.

ALLOWABLE EXPENDITURES:

- 1) **Professional Development:** Professional development for teachers, administrators, and paraprofessional educators or other classified employees involved in the direct instruction of students that is aligned to the academic content standards adopted pursuant to California Education Code (EC) sections 60605.8, 60605.11, 60605.85, and 60811.3.

Professional development will include conferences, workshops, instructional coaching, consultants, instructional materials, and other activities which engage teachers, administrators, and paraprofessional educators in learning the standards and the most effective, research-based means for implementing Common Core standards and assessment systems in every subject and grade level.

- 2) **Instructional Materials:** Instructional materials aligned to the academic content standards adopted pursuant to EC section 60605.8, 60605.85, 60605.11 and 60811.3 including, but not limited to supplemental instructional materials as provided in sections 60605.86, 60605.87, and 60605.88.

Purchases will include materials for instruction of Common Core English Language Arts Standards in English Language Arts and in Common Core Mathematics. In addition, purchases will include materials for instruction of Common Core Literacy Standards in grades 6-12.

- 3) **Technology and Assessment:** Integration of these academic content standards through technology-based instruction for purposes of improving the academic performance of pupils, including, but not necessarily limited to, expenditures necessary to support students and the administration of computer-based assessments and provide high-speed, high-bandwidth internet connectivity for the purpose of administration of computer-based assessments.

Suggested Allocation:

Technology and Assessment (65%)	Instructional Materials (27%)	Professional Development (8%)
\$221,040	\$110,520	\$36,840
