What are my Daily Meal Plan payment options?

- Payment in full at registration.
- Payment for half of full year cost at registration with balance billed via your FACTS account and due by Dec. 31, 2019.
- Monthly payments via FACTS: the first payment will be made at registration with eight additional installments billed via your FACTS account.

A healthy portion of one hot entrée, a large salad, a deli sandwich, two slices of pizza or an entrée serving of pasta.

What is a side item?

A starch, vegetable, soup, side salad, fruit, chips, or dessert.

What drinks are included in the Daily Meal Plan?

A 16 oz. glass of milk, tea, lemonade, or fountain juices.

What is NOT included in the Daily Meal Plan?

Breakfast items, premium drinks and ice creams (see list on the back of this document), more than three side items, and drink refills.

Does the Daily Meal Plan include seconds?

Seconds are NOT included. Students can buy additional items or seconds through their Declining Balance Account.

How does checkout work?

Each student enters their student ID number into a pin pad at checkout. The student's photo will appear on the cashier's screen for visual verification, and the account will be checked for enrollment in the Daily Meal Plan.

What if my child has food allergies?

Let us know and we will do our best to accommodate your student's needs. Our chefs are certified as Food Safety Production Managers and trained to create a safe dining environment for your student.

Where can I find lunch menus?

Go to: brentwoodacademy.com/dining. Links to the menu are also available in the weekly *Flyer* and under the "Current Families" tab on the homepage of the BA website.

DECLINING BALANCE PROGRAM A LA CARTE

Students may purchase individually priced *a la carte* items through our Declining Balance Program **in addition to their Daily Meal Plan** offerings. This program is ideal for breakfast, snacks, premium items, and extras or second servings at lunch. A student's balance decreases as purchases are made, much like a debit card.

The Declining Balance Program is NOT used to fund the Daily Meal Plan. It pays only for a la carte breakfast, snacks during activity period, and lunch items.

FUNDING YOUR ACCOUNT

How do I fund my Declining Balance Account?

To fund your student's Declining Balance account, go to www.MySchoolBucks.com and log into your account. If you are a **first time user**, you will need to set up an account using your student's **4 or 5 digit Veracross student ID number**.

The MySchoolBucks website will walk you through the setup process.

How much should I put in the account?

We suggest a \$50 minimum starting balance. You can fund your account with a debit card, VISA, MasterCard or e-check. Your MySchoolBucks account will allow you to:

- **Monitor student purchases**
- **Receive low balance email reminders (recommended)**
- **Set up auto-payment for your account (recommended)**
- **Make split payments for multiple students**

Students will not be allowed to charge items to their Declining Balance Account if there are no funds available in the account. Setting up auto payment on your student's account is the most effective way to avoid depleted balances unexpectedly.

Should every student have a Declining Balance account in addition to the Daily Meal Plan?

While not required, every student will want one.

How can I see what my student is buying?

Log on to your student's account at MySchoolBucks.com.

Is the on-line account information secure?

Yes. MySchoolBucks is PCI and VeriSign certified.
