In groups of 2 you are to design a **1 hour activity** that you could use at your daycare for an age group of your choice. Outline your lesson plan in 1-2 page. Use the success criteria below and clear subtitles on your handout to address all areas of the assignment:

- title of your lesson/activity (keep in mind it is only 1 hour)
- age group
- number of children
- describe your activity from start to finish- introduction, body and conclusion to sum up the lesson!
